

### **VERY HANDSOME TAFFY AUSTRALIAN PONY**

Trigger is a 13.2hh, 7 year old taffy gelding, with a lovely temperament and good looks. He has just been placed 2nd in his category in the MVPHC online show for 2008. He also got 3 firsts out of 3 at his first ever show late 2006 being ridden by a 13year old girl.

He has done some trail ridding and a little bit of pony club.

We have had him since he was just broken in. He is good to catch, shoe and float and is a good doer.

He has had beginners on him but will go further with an experienced rider.
