

**FRECKLE** - REG AAA MARE  
SIRE: MONEY CREEKS PLAUDIT A110  
DAM: WAR KITTY QH (R2-2444)  
AGE: 14.5 YEARS (BORN 1993)  
HEIGHT: 14.3 H.H

Freckle is great to catch, trim, float, rug, teeth, clean in a stable, good on the lunge and wash/prep for shows, FRECK has competed in the past at local AG shows, inter-schools and beginner ring classes with me and my 2 daughters. I Can Email Some Of Her Show History Upon Request. Freckles is in paddock condition, she does need to be bought back into work. She loves trail rides and is not a fizzy mare to ride she has a laid back nature. I've owned this mare for over 12 years, so this is a genuine sale. She would suit a confident novice rider and upwards, would make a nice pony club mount for someone wanting to start out. She stays well rounded on chaff and gumnuts, doesn't need much as she is a good doer in the paddock (as you can see from the pics)
